ALMOST DRIVEN TO SUICIDE. Terrible Suffering of a Prominent Lady.

"DEALEST ETTA: George wrote to me and his lette name to me yesterday. It pleased me in everything ex-lept his reference to your continued iliness, and as soon as I heard from him I decided to write you at once and all you something that I firmly believe will be the means

of perhaps saving your life—certain y of relieving you of much of your present agony.

"As you probably know, up to last January I was a confirmed invalid from a combination of troubles: Nervous Dyspepsia, Intense Sciatic Neuralgis, with Paralysis of one leg, and attacks of Neuralgic Spasm of the Heart. From a weight of one hundred and forty-five pounds fell to ninety-two pounds, and the agony I suffered and the dread of death that came upon me at times nearly drove me mad. Indeed, I feared ineanity more than death, and many times have decided to end my agonized

death, and many times have decided to end my agonized ortures by my own hand. Thank God! I did not.

"To-day I weigh my old one hundred and forty-five, and jost nine pounds more my leg is wholly free from Paralysis, my health spiendid, sleep awest, no Headache, Palpitation and Neuralgis of the heart gone—indeed, I am not only well, but in better hoalth than I ever was. Scotch Oats Essence, which a friend persuaded me to try, did it all for me in two months' time. Do try it for your Neuraleia. Forthermore, and force. it for your Neuralgia. Furthermore, and forgive my saying so, it will stop the necessity for using optum daily, which is running your health and breaking your husband's heart. It cured a neighbor of mine who was taking twenty grains of morphine daily.

"Ever yours,
"MRS. SAMUEL A. BUTTS.

" Islip, Suffolk Co., Long Island," Any reader desiring to do so can write to Mrs. Butts sho will substantiate the above facts, and add that the lady to whom this letter was addressed has since beer cured of both her Oplum Habit and Neuralgia by Scotch Oats Essence. This great Tonic and Invigorant is sold by all druggists for \$1.90 per bottle, and a book en Brain and Nerve Diseases," may be had free, by send ting a postal card to Scotch Cats Essence Company, 16
